INTERNATIONAL PROJECT GIFT (IPG)

The IPG is designed for a onetime donation by an individual who is not expected to give regularly.

Fees:

- 9% on the first \$100,000
- 4% on the next \$200,000
- 1% on additional amounts above \$300,000

INTERNATIONAL PROJECT FUND (IPF)

The IPF is designed for multiple donations by one or more individuals. An IPF can be established with a minimum of \$5,000 and remains intact as long as there is at least one disbursement from the fund in a 12 month period, beginning with the fund's establishment. The project or projects to which donations will be allocated is usually determined before the fund is established, however additional project(s) can be created in future years.

Fees (Calendar Year):

- 6.5% on the first \$500,000
- 4% on the next \$500,000
- 1% on additional amounts above \$1,000,000

AREA OF INTEREST FUND (AIF)

The AIF, an offshoot of an International Project Fund, specifies that charitable gifts will be allocated to initiatives that fall within a specific field of activity i.e. education about violence against women. The fee structure and all of the other AIF attributes are the same as those for the IPF.

FRIENDS FUND (FF)

The FF is designed for organizations with a popular cause or an established brand that would attract Canadian donors. Donations are sent to CAF Canada which will aggregate them for allocation to organization projects at regular intervals, usually quarterly. At the time when donations are solicited, the project to which they are designated does not have to be defined, although contributions must ultimately be allocated to a distinct initiative.

Fees:

- 6% on gifts under \$15,000
- Plus 4% on gifts of \$15,000-\$250,000
- Plus 1% on gifts of \$250,000+
- Minimum fee of \$10
- Annual fee of \$1000 which includes any required funding eligibility review fees
